Message From The Board

Greetings everyone! The MCPA had their Annual meeting on June 5. It was well attended. The potluck lunch was great and we had a good showing of our membership of around 25 members.

Our next work party will be **June 19**. We will meet at the MCPA picnic table inside the gate at Barlow Pass as usual but we are working in two locations: 1. The clay slide and 2. Again at the Barlow Point/Railroad grade trail leading off from the upper parking lot. On the Railroad grade trail we have installed a temporary sign directing hikers to both the Barlow Point trail and to the E and MC railroad grade and interpretive sign. We will be brushing the lower end of that trail close to the highway. The clay slide will be further improved for tourists. Lunch as usual will be provided by the MCPA but please always bring extra food and water for personal use. We always meet at the MCPA picnic table inside Barlow Pass for lunch at 1 pm unless specified otherwise at the work party.

It's time to
renew your
membership
if you haven't
already.

The new
membership
year started
June 1st.
Thanks in
advance for
your support!

We are trying to get a permit for crossing the river in a motorized vehicle for some time in August. If we are successful with this, we can ferry members to the Town site for a work party during that time. We will keep you informed of any developments with that.

If any members are interested in flying in heavy supplies, please email me and I will direct you to the right people. There are 2 planned helicopter flights for the summer in which some trips may be shared at much less cost than working alone on such a project.

Our next board meeting will be Tuesday, July 6. Again, please email me if you are interested in attending. It is in Mountlake Terrace/Edmonds area. You are welcome to come observe a board meeting just out of interest in how we discuss the business of the MCPA. We hope to see

everyone at the upcoming work party.

Cheers everyone, Kal Klass, MCPA President
